I am currently studying towards a Masters Degree in Industrial Psychology at Howard College and part of this degree we are required to conduct a research study, my participants are the UKZN community and as you know most employees are currently working from home due to the pandemic and as a result I am finding it difficult to reach these participants.

I have attached my ethical clearance and gatekeeper's letter, the survey is on the below link. Participants must be born from 1981 to 2001

SURVEY: Leadership Style, Employee Engagement and Job Satisfaction Amongst Millennials and Generation Z Employees.

Dear UKZN Prospective Participants,

I am a student in the Masters of Social Science programme majoring in Industrial Psychology in the faculty of Humanities at Howard College. I am in the process of writing my Master's thesis, titled: **Leadership Style, Employee Engagement, and Job Satisfaction Amongst Millennial and Generation Z Employees.**

I, therefore, invite all UKZN employees who are between the ages of 40 to 20 years to participate in a study that aims to investigate whether the leadership style embodied by a leader, influences the employee engagement and job satisfaction of millennials and generation Z employees under his/her supervision. To participate kindly click on the link below, the survey should only take 15 minutes to complete;
