

Women's Day 2021

Dear members

- Women are strong
- Women are powerful
- Women are invincible
- Women are resourceful

We acknowledge all of these attributes as we celebrate Women's Day in South Africa on 9 August and throughout the month of August.

Michelle Obama once said, "There is no limit to what we, as women, can accomplish". This is very true and is remembered on this Women's Day as UKSU celebrates the achievements of all women and particularly those who are UKSU members. Every day is a great day to celebrate the amazing women in your life but 9 August is the day we collectively do so.

"Here's to strong women: May we know them. May we be them. May we raise them" - Unknown.

"Wathint'abafazi Wathint'imbokodo"
