

Heritage Day Message

Dear members

On Friday 24 September we celebrate not only our own culture but all of the cultures of South Africa, recognising and acknowledging the cultural wealth of our nation.

South Africa has a vibrant cultural diversity, eleven official languages, with a rich, complex, and intricate history. This makes Heritage Day a very important day, which exposes us all to cultures, traditions and beliefs, which we may not have experienced before.

It is a day to come together with friends and family to enjoy good food, good company and to celebrate South Africa and its heritage. To remember the hardships of the past and toast our collective hope for the future.

Wishing all UKSU members, their families and friends a very happy and enjoyable Heritage Day 2021.

Regards
